WHO WE ARE:

TECH 24 AVIATION a unit of HRTECH 24 was established in 2019 and is registered with DIPP, Govt. of India as a startup. We are also the organizational member of QCI (Quality Council of India). HRTECH 24 represents the potential bridge between the two-prime strengths of our country, Human Resource and Technology. We are a group of dedicated individuals from Defence, Security & Marketing backgrounds, who are committed to shape the future of Indian students by providing the most updated, sophisticated & technologically advanced training and information in the field of Drone and Security.

WHAT YOU WILL LEARN:

1. Introduction to Drone/UAV
2. Rules & Regulations
3. The UAV Vehicle
4. UAV Fabrication & Assembling
5. The Propulsion System
6. Flight Control System
7. Ground Control Station
8. Payload
9. Pre- flight check.

TECH 24 AVIATION

WHY DRONE TRAINING :

DRONE.... the future game-changer of Indian Industry.

The evolution of drones is quite remarkable. The journey of drones started as toys. But over the years it became a necessity in military operations and now in the commercial sector. Now commercial uses of Drone have increased significantly with a more feature-rich status. Due to the COVID19 pandemic, the unemployment problem across the globe is in an acute state and we are also a victim of the same. So to cope up with the situation we need to find an alternative to sustain our growth and economy.

Here DRONE will play a very crucial role. According to a report by FICCI and EY, the Indian unmanned aerial vehicle (UAV) market is expected to touch $885.7 million by 2021, with the global UAV market size approaching $21.47 billion. Furthermore, a report by PWC India further states that the drone space is expected to grow at a CAGR of 18% during 2017-23.

The all-new Drone industry has opened the gateway for new entrepreneurship and vast job opportunities.

The latest initiatives are taken by some of our State Governments as well as from the Central Government clearly convey the message of future opportunities lying ahead of us with Drone.

So to grab the opportunities this is the high time that our new generation students as well other professionals must board the flight for their future.

Here only learning to fly a drone is just a tip of the iceberg considering the vast opportunities available with Drone.

Our Other Unit is Transnational Institute for Intelligence and Counter Terrorism (TIICT)

OUR CREDENTIALS & ASSOCIATIONS :

- **NCVT Govt. of India Expert committee member in the field of Drone**

Subject: Nomination as the member of Aerospace & Aviation STCC – Reg.

Sir,

You may be aware that presently, Directorate General of Training (DGT) under Ministry of Skill Development & Entrepreneurship is imparting Vocational Training through a network of 15,597 ITIs (Govt. 3055 + Private 12,642) as well as formulation of norms, policies and standards for implementation of skill development training programmes in ITIs / NSTIs across the country.

I am pleased to inform you that Sectoral Trade Course Committee(s) (STTC) for 40 sectors have been constituted vide Office Memorandum MSDE (DGT) – 19 / 01(04) / 2019 – CD dated 9th April 2020 to work on different sectors of economy and further revitalize the large networks of ITIs and NSTIs under DGT as well as to standardize the process of curriculum development training, assessment and certification system of a particular sector. The composition, functions and procedure of committee to hold a meeting have been briefed in the enclosed office memorandum (Copy enclosed for kind reference).

I am pleased to inform that, you have been nominated as the member of the Aerospace and Aviation STCC. As your institute is working in the field of drone technology which now a days is emerging technology in the field of aviation, Your intervention with STCC would enable us towards our endeavor for achieving desired objectives and vision of collective reforms in long term and short term training courses in the skill ecosystem in the field of Aerospace and Aviation. Any communication in this regards can be made to my email (lk.mukherjee@rediffmail.com) with a copy to Sh. Asheesh Kumar Shukla, Assistant Director (Data analytics resource person) at email id asheeshshukla78@gmail.com.

Thanking You.

Yours Sincerely

LK Mukherjee, ISDS
